

Glady & Co. Daylesford Amalfi

**13TH - 18TH
NOVEMBER**

Join us for a nature-based Inspire Program designed for participants seeking a relaxed, engaging, and community-focused experience. Set in the scenic town of Daylesford, this program offers a welcoming and inclusive environment where participants can slow down, connect with others, and explore the local area at their own pace. Activities include shared outings, home-style meals, and participant-led sessions—supporting social confidence, physical wellbeing, and personal growth. With opportunities to practice money management, navigate new settings, and build independence through everyday tasks, this program is ideal for those working towards NDIS-related goals in a calm, supportive space. Whether you're reconnecting with community, developing new skills, or simply enjoying a change of pace, the Daylesford Inspire Program offers a personalised and enriching experience in a beautiful regional setting.

Community connection
Social skill building
Nature exploration

Confidence building
Choice-led activities
Observation skills
