## 11TH - 15TH DECEMBER

Join us for an exclusive GladY VIP Inspire Program set against the stunning coastal backdrop of Phillip Island. Perfect for an early Christmas celebration filled with connection, joy, and personal growth. This festive experience combines the magic of the holidays with opportunities to build independence and social confidence in a relaxed seaside setting. Enjoy participant-led activities like nature walks, op shopping for holiday treasures, beach visits, and exploring local sights, all while developing practical skills in planning, budgeting, navigation, and communication. Together, we'll share responsibilities such as preparing delicious group meals and creating a warm, festive atmosphere that encourages teamwork and confidence. This program is designed to support your NDIS goals through community engagement, peer connection, and meaningful experiences all at your own pace.
